[Register Now for December Webinar](#)

November 23, 2009

Young AFCEA Bethesda presents our 2009-2010 Virtual Podium Series on Federal Web 2.0. We are bringing you webinars from the best and brightest in government to talk about their projects, successes, and lessons learned in the areas of Web 2.0 and social media.

Next Webinar: The CIO Support Services Framework

Date: Friday, December 18th, 2009

Time: 1:00 – 2:00 pm

Presented by: Andy Blumenthal, Chief Technology Officer at the Bureau of Alcohol, Tobacco, Firearms and Explosives
